## **DEPARTMENT PUBLISHES LIST OF CHILD CARE CENTERS, FAMILY DAY CARE HOMES WITH FOOD PROGRAMS**

BOISE—The Child Nutrition Division of the Idaho State Department of Education published today newly updated lists of [Child Care Centers and Family Day Care Homes](#) that participate in the Child and Adult Care Food Program (CACFP).

CACFP, funded by the U.S. Department of Agriculture, provides nutritious food to infants, children, and adults. Under this federal program, all children enrolled in participating day care homes or child care centers receive meals at no charge. Nearly 250 child care centers and 300 sponsored family day care home providers in Idaho participate in the CACFP.

Each enrolled participant's family household income determines the amount of money USDA will reimburse to the center or home for the meals and snacks provided. The income eligibility guidelines listed below are used to determine the center's or home's reimbursement from USDA. Child care centers or homes with enrolled children from households whose monthly income is at or below these levels receive more reimbursement for the nutritious meals served to children.

### **Income Eligibility Guidelines Effective Dates July 1, 2014 - June 30, 2015**
